I have verified that you are correct and have asked Craig to figure out what happened.

No photos that are useful for the color question.

I was in "images" underneath "bulletins" on the far right. Check both Ops and the Public View, "Gold King Mine Release Incident."

Are there any useful photos under the "images" section (not on the viewer)? Where are you guys?

Hi Marty,

I didn't see photos that looked to be what Craig was describing.

Could you forward the ones Craig sent?

Thanks,
Maggie
